## Electronic Databases

- ▶ Available via the World Wide Web, CD-ROM for Windows®, Macintosh, or DOS platforms, and magnetic tape!

### Quick & Productive Searching

- ▶ Fast access to information with Web, Windows®, and Mac interfaces — including hotlinks from author, source, and descriptor fields to related citations...
- ▶ Search multiple databases simultaneously...
- ▶ Save results, combine current and previous searches...

### Weekly Updates on WilsonWeb<sup>SM</sup>

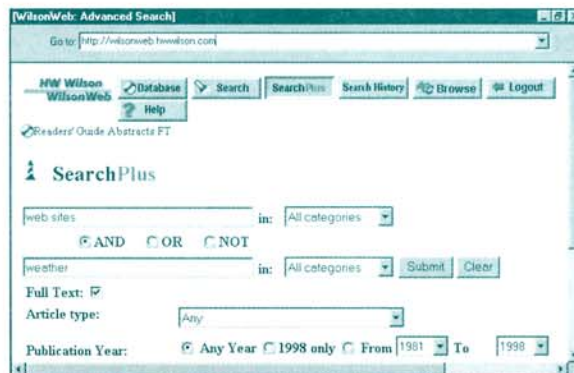

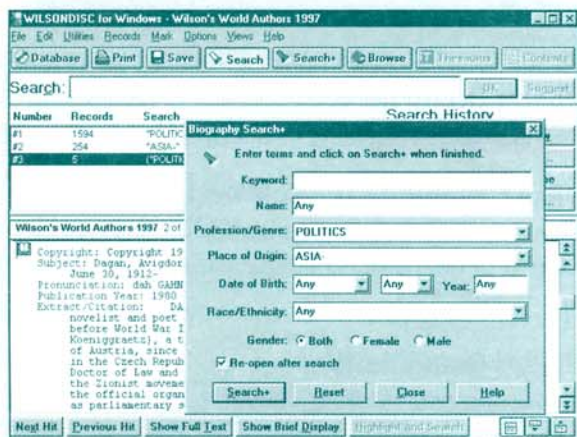

Your patrons receive current information faster with World Wide Web access to our abstracts and full text bibliographical databases, updated weekly.

### Select From Various Update Frequencies, with a WilsonDisc Subscription

Subscribers to the abstracts databases in WilsonDisc formats can have discs delivered in their choice of update frequency — monthly, quarterly, or nine-times-per-year (August through April, corresponding with the school year).

### Straightforward Graphical Search and Display Screens

Easy-to-use interfaces make WilsonWeb and WilsonDisc databases favorites among both library users and librarians. The interfaces are intuitive, saving you the time it takes to train users!

# Consider the Benefits of Electronic Database Subscriptions

## Wilson Full-Text Databases

Deliver the full-text of articles from hundreds of publications direct on your computer screens.

### Wilson Abstracts Databases

Fifty- to 150-word abstracts deliver more than enough information to determine the value of an article — and often enough information to satisfy a query.

### The Wilson Indexes

You'll appreciate easier searching, and more convenient access to information.

**New!**

## All-in-one coverage...
