Rave reviews for Wilson Biographical Sources:

Praise for the earlier release: Wilson Biographies

"Wilson's collection has been popular, in part because of its depth and breadth...both the user interface and presentation [is] functional...[and] in keeping with the company's image, which emphasizes quality content." — The Seybold Report on Internet Publishing

Current Biography

"The most reliable source for biographical information..." — American Studies International

World Authors: 800 B.C.–Present

"Fast and functional... an excellent value to all who need it." — Online Information (UK)

World Artists 1980–1990

"Highly recommended." — The Book Report

American Reformers

"Truly valuable as a source of information for American history, social science, and biography." — Booklist/Reference Books Bulletin
